LNSO- A Resource for Charitable Donations

The Lummi Nation Service Organization (LNSO) is a 501 (c) (3) non-profit organization capable of accessing charitable funding resources. LNSO has a community contribution fund pool to distribute back to various community-based projects. Community-based projects that have a focus on education, culture, social development or civic purposes and have an unmet funding need for the upcoming year are welcome to submit an application to LNSO.

If your project is interested in requesting community contribution funds, please fill out this form and submit it to the LNSO Office for Board consideration. Please keep in mind that since funds are limited, the Board will consider in its funding decision whether your project has other sources of support or matching funds.
