Lummi Higher Education Grant Award Application

Congratulations on your decision to pursue a vocational certificate or college/graduate degree. Education is a priority of the Lummi Indian Business Council (LIBC). This grant award assists students in fulfilling their educational goals, as well as, meeting the ever-growing needs of our dynamic economy. To keep pace with the rising cost of college tuition LIBC have augmented those BIA funds with tribal funding to make the LHE grant award available. Lummi Higher Education Grant Award-Scholarship Verification Form (Undergraduate-Full time)

It is the goal of the Lummi Higher Education Grant Award program to assist students in obtaining their college degree with as little debt as possible. With the increasing cost of attendance at most colleges and universities it is likely that students will be required to seek funding in addition to tribal funding to pay for the cost of attending college.

The LHE program is requiring students to apply for at least two outside scholarships so students will have the opportunity to receive “free” money that can be used toward their college expenses and may reduce or eliminate the need for student loans.

I _____, hereby agree to submit documentation verifying that I have applied for a minimum of two outside scholarships for each academic year I am requesting funding.

I agree that prior to the first day of classes for the academic year for which I receive funding I will provide documentation showing that I have applied to a minimum of two outside scholarships prior to the first day of the academic year.

The following items are acceptable forms of verification:

- Scholarship Award Letter
- Scholarship Denial Letter
- Scholarship Submission Confirmation Page

I understand that if I do not provide the above required information, **I will not** receive Tribal funding for the 2019-2020 academic year.

I, the undersigned, have read, understand, and agree to abide by the terms and conditions the Scholarship Application Requirement.
