

LUMMI NATION
Off-Reservation PREDATOR
HUNTING REGULATION # 2025-26
Hunting Year (HY) 09/01/2025 – 08/31/2026
Effective 09-01-2025

AUTHORITY This regulation is issued pursuant to Paragraph 10.17.090, Hunting Regulations of the Lummi Code of Laws, Title 10. Violation of this regulation constitutes a violation of Title 10 Ordinance of the Lummi Code of Laws, 10 is punishable under Chapter 10.06.070, and Chapter 10.17. **Hunters must comply with all requirements of Title 10 and this regulation.**

GENERAL CLOSURE The Lummi Reservation and all other areas within the territory under the Lummi Nation's hunting jurisdiction are closed to the hunting of predator animals unless those areas are specifically opened by regulation. Areas opened by regulation are only open to hunting of predator animals in accordance with Title 10 of the Lummi Code of Laws, and all applicable regulations. Any animals found to have been taken in violation of this regulation are subject to confiscation from, and forfeiture by, the hunter.

PERMIT / IDENTIFICATION All persons hunting under the authority of the Lummi Nation must comply with Title 10 of the Lummi Code of Laws. The following are authorized to issue and validate permits: 1) Lummi Fisheries and Natural Resources Commission Officers, 2) Director of Natural Resources, 3) Deputy Director of Natural Resources, 4) Natural Resources Administrative Assistant, 5) Wildlife Program Manager, and 6) Wildlife Technician. Permits shall be issued to eligible members of the Lummi Nation upon payment of a non-refundable administrative fee of \$5.00. (This fee is waived for elder hunters or if the fee was paid for big game permits.) Permits and tags shall be valid from the first day of issue or the start of the hunting year, whichever is later, and, unless otherwise specified, shall expire one half hour after sunset on the last day of the season in the hunting year. In addition to the current permit and tags, hunters must also have a valid Tribal ID with them at all times when hunting.

PREDATOR TAGS A Lummi tribal predator tag is required for hunting under this regulation. Tags are obtained from the Natural Resources Department and must be validated at the time of issue by an individual authorized in the Permit/Identification section of these regulations. Each tag consists of two parts: the carcass tag and the harvest reporting form tag. They are issued as a joined pair and are required for black bear, cougar, and bobcat. Designated hunters are allowed only 1 designated hunt at a time. It shall be unlawful for a hunter to hunt more than one designated hunt at a time.

CARCASS TAGS & RETURNING TAGS & HARVEST REPORT Successful hunters must immediately remove from the tag the designated notches corresponding to the month and day of the kill. Predator tags with the harvest report filled in by the hunter, and the date of the kill notched out must be returned to the Natural Resources Department main office before another tag will be issued. LNR Wildlife Program will also accept photos of properly notched tags and

the harvested animal as a harvest report. Send these to 360-410-1783 or EmilyCW@lummi-nsn.gov. LNR is piloting a new way to return and report tags using a QR code or web link. A QR code and web link will be included on each issued permit and will allow you to report on tags under that specific permit until the expiration date of the permit/tags. Scan the code or use the link to complete tag returns and harvest reports. Since this is a new tool for the LNR database, please let Wildlife staff know if there are any glitches or issues. All tags, whether an animal was bagged or not, must be returned within 30 days of the expiration date of the tag. Failure to return tags is subject to a fine of not less than \$50 and will jeopardize the ability of the permittee to obtain tags the following hunting season. A permittee who loses a tag will be relieved of a monetary penalty if they file an affidavit of tag loss, including a harvest report, within 30 thirty days of the date of expiration of the tag loss. Failure to report a lost tag in a timely manner will result in withholding further issuance of tags to the permittee until all applicable fines are paid, affidavits of loss are completed, and harvest reports are filed.

AREAS OPEN Hunting under these regulations is allowed within the boundaries of Washington Department of Fish and Wildlife Game Management Units (GMUs) listed in this section except on lands within those units which are: a) conspicuously posted "NO HUNTING"; or, b) within 1,000 feet of an occupied building or area; or, c) national, state, county, or municipal parks or national monuments; or, d) closed due to extreme fire danger. Hunting on small private lands is prohibited unless the hunter has prior written permission from the landowner granting access to hunt predators and these lands are within the areas open by the Lummi Nation Predator Hunting Regulations. Any violation of these conditions will be considered a violation of Title 10 Ordinance sections 10.17.140 and 10.06.080.
