'Working together as one to Preserve, Promote and Protect our Sche Lang en'

LNR Proprietary Key Check-Out Policy, Revised 08-15-2018

Purpose

It is the policy of the Lummi Indian Business Council to support Lummi tribal members in the pursuit of their activities intended to preserve, promote, and protect the Lummi Sche Lang en' at all levels in the community. This support includes facilitating, where possible, the continuation of traditional practices both on and off of the Lummi Reservation. In furtherance of that policy, the UBC Natural Resources Department works together with other Point Elliott Treaty Area tribes, federal, state, and local agencies, and private landowners to secure access to lands where tribal members can continue the practices of their Sche Lang en' handed down from one generation to the next since time immemorial.

This policy covers the check-out and use of proprietary keys held by UBC, et al. for short-term loan and use by eligible persons. Eligible persons include Lummi tribal members in good standing with UBC and also other UBC staff working under UBC auspices in the management of treaty-reserved natural resources. The intent of this policy is to facilitate the loaning, use, and timely return or recovery of loaned keys. Allowable uses include natural resources management activities by LNR staff and also hunting, gathering, and other cultural activities and uses by Lummi tribal members on state-regulated public and private industrial forestlands. Specific terms and conditions governing the possession and use of keys are covered on the permit issued to the user / permittee at the time the key(s) are checked out to the permittee.

Upon receipt of a key(s) use permit, the eligible person becomes the Permittee. It is the responsibility of the Permittee to fully abide by all terms, limitations and conditions of the permit, including, but not limited to, assuring that all keys checked out to them are returned to the LNR department by 4:30 p.m. on the date scheduled for their return. Key(s) checked out to hunters must be picked-up and returned by the hunter in person and must be returned no later than the first business day after the tag is filled, or the tag expires, or as specified on the use permit, whichever occurs first.

Failure to return the key(s) will result in forfeiture of deposit, in suspension of hunting privileges, (if applicable), and checkout privileges until the key(s) are returned or full restitution covering all costs of replacing unreturned keys is made to the NR department, and any relevant fines and/or penalties are paid in full. Additional penalties for misuse of the keys and/or deviation from the conditions for possession and use of the keys may also be applied.

Penalties

Loss of key(s): forfeiture of deposit

Returned (Bounced) check: suspended hunting privileges until all fines are paid in cash

Late return: \$25 per day and suspension of hunting privileges until key(s) are returned and fines are paid

Violation (s) of permit conditions and depending upon the severity of the violation:

- First offense: loss of key check-out privileges for 30 calendar days
- Second offence: loss of key check-out privileges for 1 year
