

# Crabber and Scientist Exchange

Join the [Pacific Northwest Crab Research Group](#) for an evening to share your questions and observations about Dungeness crab and learn about upcoming research and resources for fishers!

**The evening will include:**

*Exploring Puget Sound Crab Population Structure - Upcoming research partnering with PS crabbers*

*Unveiling Washington Sea Grant's Direct-to-Consumer Marketing Resources - An introduction and request for input*

*Fishery Economics Q&A - A dialog with an Economist*
