5.09A.010 Construction

The individual and collective sections within this Chapter shall be construed liberally in accordance with the legislative objective of addressing and deterring the manufacture, distribution and/or use of illegal substances, except that nothing in this Chapter shall be construed to make illegal an act that is otherwise legal.

A common sense interpretation of this Chapter should be made to fulfill the legislative purpose of deterring illegal alcohol use, illegal marijuana product use, drug use and drug transactions. The term “except that” in this Section means that the liberal construction shall be limited only to the extent that it is necessary to prevent overreaching by making an act illegal, when that act is commonly recognized to be legal. For example, the government-regulated manufacture and sale of prescription narcotics by a licensed manufacturer or licensed seller, does not become illegal under this act, since these acts are recognized to be legal.

(B) real property, including any right, title, and interest (including any leasehold interest) in the whole of any lot or tract of land and any appurtenances or improvements;

(C) containers, equipment, and supplies; and

(D) moneys, negotiable instruments, securities, or other things of value furnished, or intended to be furnished, by any person in exchange for an illegal substance, or with the intent to obtain an illegal substance, except those funds provided by a law enforcement official, or any person acting under law enforcement direction, as part of an investigation into illegal activity; and

(6) all proceeds from the illegal activity, including property acquired from the proceeds, including but not limited to moneys, negotiable instruments, securities, and real and personal property.

5.09B.050 When Property Can Be Seized

Property subject to forfeiture under this Chapter may be seized by any law enforcement officer of the Lummi Nation as follows:

(1) The Court has entered an order permitting seizure based on probable cause that the property is subject to foreclosure or is evidence of criminal activity. Such an order may be issued ex parte;

(2) There is a prior judgment of the court, in favor of the Lummi Nation, in a civil injunction or forfeiture proceeding;

(3) The law enforcement officer has seized

the property incident to an arrest, or incident to another exception to the warrant requirement; or

(4) The law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety.

5.09B.055 Custody of Seized Property

Property seized under this Chapter shall not be subject to replevin, but shall be deemed to be in the custody of the Lummi Nation, subject only to the orders and decrees of the Lummi Tribal Court. Prior to a final order of forfeiture, whenever property is seized under this Chapter, the Lummi Nation, by and through the Lummi Nation Police Department, may:

(1) place the property under seal;

(2) remove the property to a place designated by the Lummi Nation Police Department; or

(3) require that the Lummi Nation Police Department take custody of the property and remove it, if practicable, to an appropriate location for disposition in accordance with law.

5.09B.060 Notice of Intended Forfeiture

(a) Within 45 days of seizure under this Chapter, a petition may be filed to institute forfeiture proceedings with the Court. When property is seized, but is being held as evidence in a pending criminal proceeding, a petition may be filed to institute forfeiture proceedings with the Court within 45 days after the criminal proceeding is no longer pending.

(b) The Lummi Nation shall serve notice of seizure and intention to forfeit the property to all known claimants to the property. Notice may be served by personal service or certified mail with return receipt requested. Notice to a known claimant may be made at the address shown on the financing statement, vehicle registration or certificate of title. If the location of claimant cannot be found, service may be accomplished by publication pursuant to LCL §3.03.040 – §3.03.060.

(c) The notice shall state: 1) a description of property; 2) known claimants to the property; 3) location where property was seized; 4) a brief explanation of the legal basis for seizure of property; and 5) instructions for responding to the notice.

(d) If an additional claimant becomes known prior to final judgment, the Lummi Nation shall serve a notice on the additional claimant.

5.09B.070 Claimant's Answer to Notice

(a) Within 20 days after the date that personal service was completed, the date that certified mailing was delivered, or the date of publication of a notice of forfeiture, the claimant to the seized property may file with the Clerk of the Lummi Tribal Court a verified answer to the notice of intended forfeiture. A copy of the answer shall be provided to the Lummi Nation.

(b) The answer shall state: (1) the nature and amount of the claim to the property; (2) the time and circumstances of the claimant's acquisition of the claim; (3) a brief description of the defenses asserted by the claimant; and (4) the relief sought.

(c) The claims of any claimant who was served with notice of the forfeiture proceeding, and who failed to file an answer in accordance with this Section, are extinguished by default.

5.09B.080 Defenses to Forfeiture

(a) At a forfeiture hearing, the claimant must establish the amount and validity of his claim. A defense to forfeiture only extends to the value of that person's claim to the property.

(b) Defenses to forfeiture are:

(1) the property was not used, or intended to be used, to facilitate an illegal activity and was not the proceeds of illegal activity;

(2) the claimant is an innocent owner of the property. An "innocent owner" means that:

(A) the claimant had no knowledge of the use or intended use of the property to facilitate an illegal activity and the claimant undertook a reasonable investigation of the user's character and reputation before allowing the use or

continued use of the property; or

(B) upon learning of the illegal activity, the claimant did all that could be reasonably expected under the circumstances to terminate such use of the property, which includes giving timely notice to a law enforcement agency of the illegal activity and taking timely action to revoke permission to use the property or to prevent the illegal use. An innocent owner under this Subsection is not required to take such steps that the owner reasonably believes will place the owner in physical danger;

(C) the claimant is a bona fide purchaser for value of the property, or licensed pawnbroker, who did not know at the time of the transaction that the property was the proceeds of illegal activity, or that it had been used to facilitate an illegal activity;

(D) to the extent of the community property interest, that a claimant has such an interest in real property used or attempted to be used for illegal activity, the property is not the proceeds of the illegal activity, and the claimant had no participation in the illegal activity; or

(E) the claimant is a spouse or dependent of the user of real property and acquired his interest in the real property through inheritance before the commencement of the forfeiture proceeding, the claimant had no participation in the illegal activity, and the real property is not the proceeds of the illegal activity.

(3) the claimant is a bank, trust company, credit union, licensed pawnbroker, or money lender established in accordance with the law of an Indian tribe, state, or the United States, that did not have knowledge at the time of obtaining its interests that the property was intended to be used to facilitate an illegal activity;

(4) the claimant holds a security lien as the seller of the property and did not have knowledge at the time of sale that the property was intended to be used to facilitate an illegal activity;

(5) the claimant has a claim on the property

of such a nature that the claimant had no control over the use of the property at the time of the illegal activity, and the claim was not obtained as part of a transaction with intent to benefit the user of the property while knowing of the illegal activity; or

(6) the user of the property was entrapped as shown by evidence that the design for the illegal activity that resulted in the illegal use of the property originated in the mind of law enforcement officials or any person acting under law enforcement direction; and, that the user was lured or induced to commit the illegal acts which the user of the property had not otherwise intended to commit. The defense of entrapment is not established by a showing that law enforcement officials merely afforded the user of the property an opportunity to participate in the illegal activity.

5.09B.090 Procedure for Hearing

(a) If a verified answer is timely filed, the Clerk of the Court shall set a hearing for forfeiture proceeding within 30 days after the answer is filed. The proceeding shall have priority over other civil cases. Notice of the hearing may be served by regular mail or personal service.

(b) The Lummi Nation shall have the burden of proof that the user of the property conducted an illegal activity. The criminal conviction of the alleged user conclusively proves the illegal activity. However, the illegal activity may also be proved during the civil proceeding, notwithstanding whether the user was prosecuted or convicted for the activity.

(c) For property subject to forfeiture under LCL §5.09B.030(a), the Lummi Nation shall have the burden of proof that the property was used or intended to be used as part of the illegal activity.

(d) For property subject to forfeiture under LCL §5.09B.030(b), the Lummi Nation shall have the burden of proof that the property was the proceeds of an illegal activity. There is a rebuttable presumption for which the judge shall accept as true that property acquired

during the period of the illegal activity, or a reasonable period thereafter, is the proceeds of the illegal activity, unless the user of property or claimant offers compelling evidence contradicting such presumption.

(e) A claimant has the burden of proof of a defense under LCL §5.09B.080.

(f) A fact or circumstance that must be proved under this Chapter must be proved by a preponderance of the evidence.

5.09B.100 Disposition of Property

(a) Summary Forfeiture and Destruction of Contraband. All property described in LCL §5.09B.040(1)-(4) which is seized under this Chapter shall be deemed contraband and summarily forfeited to the LIBC immediately upon seizure and without further proceedings under this Chapter. A claimant has no right of action for return of such property. All such property shall be destroyed unless needed for evidentiary or official law enforcement purposes.

(b) No Valid Claimant Exists. Whenever property is forfeited under this Chapter and the Court finds that there are no other claimants to the seized property, pursuant to LCL §5.09B.080, the LIBC may:

- (1) retain the property for official use;
- (2) transfer the property to the Lummi Nation Police Department for its official use; or
- (3) sell, by public sale or any other commercially feasible means, any forfeited property which is not required to be destroyed by law and which is not harmful to the public.

(A) Proceeds from any such sale and any moneys forfeit under this Title shall be used to pay all property expenses of the proceedings for forfeiture and sale including expenses of seizure, maintenance of custody, advertising, and court costs; and any remaining balance shall be transferred to the Lummi Nation Police Department for use in criminal drug investigations.

(c) Valid Claimant Exists. Whenever

property is forfeited under this Chapter and the Court finds a claimant has a valid claim to seized property, pursuant to LCL §5.09B.080, the Court shall determine the nature and amount of the claims.

(1) If the amount of the claims to seized property is equal to, or more than, the fair market value of the property as of the date of seizure, the property shall be released to those claimants.

(2) If the amount of the claims to seized property is determined to be less than the fair market value of the property as of the date of the date of seizure, the Court may sever the property to allow sale as provided in this Section, or may allow an innocent owner to retain the property subject to a lien in favor of the LIBC. The property may be sold at a public auction by the Chief of the Lummi Nation Police Department, or by any other reasonable manner approved by the Court, after notice has been given to the remaining claimants.

(A) Proceeds from any such sale and any moneys forfeit under this Title shall be used to pay:

(i) all property expenses of the proceedings for forfeiture and sale including expenses of seizure, maintenance of custody, advertising, and court costs;

(ii) the amount owing to the remaining claimants;

(iii) reimbursement of funds provided to the user of the property by a law enforcement official, or any person acting under law enforcement direction, as part of the investigation into the illegal activity; and

(iv) any remaining proceeds shall be paid to the Lummi Nation Police Department for use in criminal drug investigations.

(B) In lieu of such a sale and after any payments are made under Subsection (c)(2)(A)(i) – (iv) of this Section, the LIBC may retain the property for its official use.

(d) A user of the property, or any person acting in concert with him, is not eligible to acquire any seized property at any public sale.

5.09B.105 Vesting of Title

All right, title, and interest in property described in LCL §5.09B.040 shall vest in the Lummi Nation upon commission of the act giving rise to the forfeiture under this Chapter.

5.09B.110 Frivolous Claim

If the Court finds that the claimant's assertion of an interest in the property was frivolous, the Court may impose a civil penalty on the claimant of an amount equal to 10 percent of the value of the forfeited property, but in no event shall the penalty be less than \$250 or greater than \$5,000.

5.09B.120 Motion to Set Aside Forfeiture

Any person entitled to notice of forfeiture under this Chapter who does not receive such notice may file a motion to set aside a forfeiture for good cause shown with respect to that person's interest in the property. A person who has received notice of forfeiture and failed to answer may not move to set aside a default forfeiture judgment. A motion to set aside a forfeiture judgment must be brought within one year after entry of the judgment.

Chapter 5.09C Sexual Offenses

Sub-Chapter 5.09C.01 General Provisions

5.09C.01.010 Preamble and Purpose

Only the informed Lummi Community and its families can stop sexual abuse among its people. The laws and legal system are tools assisting the community in this effort. The purposes of the Chapter shall be as follows:

(1) to assist in protecting the community from sexual assault and abuse, especially our precious children and other vulnerable individuals;

(2) to provide offenders and their families with a resource for accountability, penance and restitution for their harmful actions; and

(3) to promote healing for individuals, families and the community who have been impacted by these offenses. This includes rehabilitative treatment for offenders.

5.09C.01.020 Findings-Intent; Effective Date

(a) This act is necessary for the immediate preservation of the tribal family, public peace, health and safety, and to support tribal sovereignty, and shall take effect on August 4, 1994. It is the legislature's deliberate intent that the act be applied retroactively in cases where an offense has occurred prior to August 4, 1994. The legislature's intent is based upon unique tribal needs and cultural considerations. Testimonials at the tribal legislative proceedings further affirmed the necessity of this act. It is recognized that the incidence of sexual exploitation ordinarily fosters trauma in other aspects of the lives of sexual abuse victims, thereby disabling and delaying victims from reporting sexual offenses. Cultural factors involving the sense of privacy exacerbate the ability of many native victims to disclose intimate matters, particularly those of aggravated character. Given the inter-generational prevalence of sexual offense, there is a unique tribal need to allow effective reporting of sexual offenses within the Lummi Reservation and trust lands.

(b) The individual and collective sections within this Chapter shall be construed liberally in accordance with the legislative objective of addressing and deterring sexual assault and abuse.

5.09C.01.030 Statute of Limitations for Sexual Offenses

(a) Prosecutions for sexual offenses shall not be commenced after the periods prescribed in this Section:

- (1) fifteen years after the victim's 30th birthday;
- (2) ten years after commission of the offense; or
- (3) ten years after the recovery of repressed memories of childhood sexual abuse, whichever time period is greater.

(b) The periods of limitation prescribed in

Subsection (a) of this Section do not run during any time when the person charged is not usually and publicly residing within the exterior boundaries of the Lummi Nation or on any property held in fee or trust by the Lummi Nation regardless of location.

Sub-Chapter 5.09C.02 Penalties

5.09C.02.005 Sentencing Goals

Sentencing delivered under this Chapter is specifically intended to promote public safety and facilitate healing within our families and communities. The following goals shall be considered in sentencing:

- (1) providing safety for the victims and for other potential victims shall be the highest priority considered in sentencing;
- (2) sex offender evaluation and treatment (when indicated) shall be the second priority in sentencing;
- (3) restitution to the victim or his family, fines and/or time in jail imposed in sentencing provide the offender an opportunity to take public responsibility for his offenses. It also makes a statement to the community as to the seriousness of the crime; and
- (4) significant suspended sentences can provide an incentive for the offender to complete court-ordered rehabilitative treatment and restitution.

5.09C.02.010 Sentencing Requirements for Sexual Offenses

(a) Any person convicted of a class A sex offense under Sub-Chapter 5.09C.05 of this Title or any class A offense with a finding of sexual motivation under LCL §5.09C.02.020, shall be ordered to complete an evaluation from an appropriate sex offender treatment program certified by the Lummi Nation, another jurisdiction or by the Attorney General of the United States and comply with all treatment recommendations.

(b) Any conviction for a sex offense or crime with sexual motivation under LCL § 5.09C.02.020, without diminishing the sovereignty or jurisdiction of the Lummi Nation and in order to protect the health and

safety of the community, shall be reported to the Washington State Patrol.

5.09C.02.020 Special Verdict; Sexual Motivation

(a) The Tribal Prosecutor may file a special allegation of sexual motivation in any criminal case, other than sex offenses set forth in Sub-Sub-Chapter 5.09C.05 of this Title, when sufficient admissible evidence exists which would justify a finding of sexual motivation by a reasonable and objective fact finder.

(b) In a criminal case wherein there has been a sexual motivation allegation, the Nation shall prove beyond a reasonable doubt that the accused committed the crime with a sexual motivation. The Court shall make a finding of fact of whether or not a sexual motivation was present at the time of the commission of the crime, or if a jury trial is had and the jury finds the defendant guilty, the jury shall find a special verdict as to whether or not the defendant committed the crime with a sexual motivation. This finding is not required for sex offenses set forth in Sub-Chapter 5.09C.05 of this Title.

Sub-Chapter 5.09C.04 Definitions, Guidance and Defenses

5.09C.04.010 Definitions

Any term not specifically defined in this Sub-Chapter shall be given the meaning defined in other sections of Title 5 (Code of Offenses), and if not defined, shall be given its commonly accepted meaning. The following definitions apply to this Sub-Chapter:

(g) “Mental Incapacity” is a certifiable condition existing at the time of the offense which prevents a person from understanding the nature or consequences of the act of sexual intercourse. It is presumed that a victim is considered to be incapable of giving consent if the perpetrator has reason to believe that, due to a developmental disability, the victim has a mental age of less than 16 years.

(h) “Minor” and “Juvenile” means an individual who has not attained the age of 18 years old.

For the purposes of this Section an "area accessible to the public" shall mean sidewalks, streets, parking lots, parks, playgrounds, stores and restaurants.

(m) "Sexual Contact" means any touching of the sexual or other intimate parts of a person done for the purpose of gratifying sexual desire of either party. (1) services performed as a permanent or temporary employee of another or while self-employed, for any compensation, monetary or otherwise;

(2) services performed informally for any compensation, monetary or otherwise;

(3) practical training as part of an educational or vocational course;

(4) services provided as a volunteer, leader, coach, or other position of authority; and

(5) services provided under a court order to complete community service.

5.09C.04.020 Victim Testimony and Evidence

(a) In order to convict a person of any crime defined in this Chapter it shall not be necessary that the testimony of the alleged

victim be corroborated.

(b) Evidence of the victim's past sexual behavior including, but not limited to, the victim's marital history, divorce history, or general reputation for promiscuity, non-chastity, or sexual mores contrary to community standards is inadmissible on the issue of credibility and is inadmissible to prove the victim's consent except as provided in Subsection (c) of this Section; but when the perpetrator and the victim have engaged in sexual intercourse with each other in the past, and when the past behavior is material to the issue of consent, evidence concerning the past behavior between the perpetrator and the victim may be admissible on the issue of consent to the offense.

(c) In any prosecution for the crime of rape or for an attempt to commit, or an assault with an intent to commit, any such crime, evidence of the victim's past sexual behavior including, but not limited to, the victim's marital behavior, divorce history, or general reputation for promiscuity, non-chastity, or sexual mores contrary to community standards is not admissible if offered to attack the credibility of the victim and is admissible on the issue of consent to the offense only pursuant to the following procedure:

- (1) a written pretrial motion shall be made by the defendant to the Court and prosecutor stating that the defense has an offer of proof of the relevancy of evidence of the past sexual behavior of the victim proposed to be presented and its relevancy on the issue of the consent of the victim;
- (2) the written motion shall be accompanied by an affidavit or affidavits in which the offer of proof shall be stated;
- (3) if the Court finds that the offer of proof is sufficient, the Court shall order a hearing out of the presence of the jury, if any, and the hearing shall be closed except to the necessary witnesses, the defendant, counsel, and those who have a direct interest in the case or in the work of the Court; and
- (4) at the conclusion of the hearing, if the Court finds that the evidence proposed to be offered by the defendant regarding the past sexual behavior of the victim is

relevant to the issue of the victim's consent; is not inadmissible because its probative value is substantially outweighed by the probability that its admission will create a substantial danger of undue prejudice; and that its exclusion would result in denial of substantial justice to the defendant, the Court shall make an order stating what evidence may be introduced by the defendant, which order may include the nature of the questions to be permitted. The defendant may then offer evidence pursuant to the order of the Court.

(d) Nothing in this Section shall be construed to prohibit cross-examination of the victim on the issue of past sexual behavior when the prosecution presents evidence in its case in chief tending to prove the nature of the victim's past sexual behavior, but the Court may require a hearing pursuant to Subsection (c) of this Section concerning such evidence.

5.09C.04.030 Evidence of Child

(a) With the legislative purpose in mind to find the truth while allowing a child protection from trauma to the extent that is constitutionally permitted, the Lummi Tribal Court may adopt state or federal rules of procedure regarding the admissibility of evidence, including, but not limited to, hearsay, video-taped depositions, or testimony by closed-circuit television. The LIBC declares that protection of child witnesses in sexual assault and physical abuse cases is a substantial and compelling interest of the Lummi Nation. Sexual and physical abuse cases are some of the most difficult cases to prosecute, in part because frequently no witnesses exist except the child victim. When abuse is prosecuted, a child victim may suffer serious emotional and mental trauma from exposure to the abuser or from testifying in open court. In rare cases, the child is so traumatized that the child is unable to testify at trial and is unavailable as a witness or the child's ability to communicate in front of the jury or defendant is so reduced that the truth-seeking function of trial is impaired. In other rare cases, the child is able to proceed to trial but suffers long-lasting trauma as a result of testifying in court or in front of the defendant. The creation of procedural devices designed to enhance the truth-seeking process and to

shield child victims from the trauma of exposure to the abuser and the courtroom is a compelling tribal interest.

(b) A statement made by a child when under the age of 12 describing any act of sexual contact performed with or on the child by another or describing any attempted act of sexual contact with or on the child by another, or any other act of abuse or neglect against the child, not otherwise admissible by this Code, a statute, Lummi Court Rules, Federal Rules of Evidence (including hearsay exceptions), or any other set of rules agreed to by the parties or designated by the Court, is admissible as evidence in any criminal and civil proceedings, including juvenile offense adjudications, in the courts of the Lummi Nation when:

(1) the Court finds, in a hearing conducted prior to trial, or at a minimum outside the presence of the jury, that the time, content, and circumstances of the statement provide sufficient indicia of reliability; and

(2) the child either:

(A) testifies at the proceedings; or

(B) is unavailable as a witness; provided, that when the child is unavailable as a witness, such statement may be admitted only if:

(i) there is some corroborative evidence of the act; and

(ii) the party against whom the statement is admitted has had an opportunity to cross-examine the witness.

(c) The defendant shall be given notice of the intent to use these statements no later than 10 days before trial. If defective notice under this Section is provided to the opposing party, the Court shall conduct a hearing to determine whether the opposing party has been prejudiced. If no prejudice is found, such statements may be admitted into evidence. The notice shall include:

(1) a written statement of the content of the child's statement;

(2) the time and place at which the statement was made;

(3) the circumstances surrounding the statement which indicate its reliability; and

(4) such other particulars as may be necessary to provide full disclosure of the statement.

(d) The Court shall make specific findings of fact, on the record, as to the basis for its ruling under this Subsection.

5.09C.04.050 Defenses Under this Chapter

(a) The general defense afforded by LCL §5.10.070(g) requires that for the following defendants, reasonable belief be as indicated:

(2) for a defendant charged with rape of a child in the second degree, that the victim was at least 14, or was less than 36 months younger than the defendant.

(6) for a defendant charged with child molestation in the third degree, that the victim was at least 16, or was less than 36 months younger than the defendant.

(7) for a defendant charged with sexual misconduct with a minor in the second degree, that the victim was at least 18, or was less than 60 months younger than the defendant.

(b) Voluntary intoxication is not a defense available under this Chapter.

Chapter 5.10 General Provisions

5.10.010 Definitions

(a) When a term is not defined in any provision of this Title establishing a criminal offense, it shall be given its commonly accepted meaning. If there is any doubt as to the meaning of a term, the Court may refer to definitions utilized in other jurisdictions. Any reference to "he", "she" or other gender pronouns include both male and female persons.

(b) State of Mind. In determining the state of mind of a person as required under this Code,

the following definitions apply. It is not necessary to establish that the defendant knew that his act was a violation of the law. When this Code provides that criminal negligence suffices to establish an element of an offense, such element also is established if a person acts intentionally, knowingly, or recklessly. When recklessness suffices to establish an element, such element also is established if a person acts intentionally or knowingly. When acting knowingly suffices to establish an element, such element also is established if a person acts intentionally.

(1) A person acts with “intent” or intentionally when he acts with the objective or purpose to accomplish a result which constitutes a crime.

(2) A person acts with “knowledge” or acts knowingly when he is aware of a fact, circumstances, or result which is described by law as being a crime, whether or not the person is aware that the fact, circumstance, or result is a crime. The finder of fact may find that the person acted with knowledge if the person has information that would lead a reasonable person in the same situation to believe that the fact, circumstance, or result exists. A requirement that an offense be committed “willfully” is satisfied if the person acts knowingly.

(3) A person acts “recklessly” if that person acts carelessly and heedlessly in a willful and wanton disregard of the rights, safety, or property of another.

(4) A person acts “maliciously” if that person acts with evil intent, wish, or design to vex, annoy, or injure another person. Malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(5) Direct evidence of a person’s state of mind is seldom available, but can be established through circumstantial evidence.

(c) For purposes of this Title,

(1) “Assault” occurs when a person knowingly makes threats by words or

conduct to cause physical harm to another person or to otherwise harm another person’s physical or mental health or safety so that the other person is put in reasonable apprehension of an imminent physical harm. In order to show a crime of assault, there is no requirement that there be any form of touching;

(2) “Assault and Battery” means directly or indirectly touching another with intent to harm that person or to cause offense, or by offering violence causing another to harm himself. (7) "Enter" when constituting an element or part of a crime, shall include the entrance of the person, or the insertion of any part of his body, or the entrance of any instrument or weapon held in his hand and used or intended to be used to threaten or intimidate a person or to detach, damage, or remove property;

5.10.020 Standard of Proof

No person may be convicted of a criminal offense unless each element of the offense is proved by competent evidence beyond a reasonable doubt.

5.10.025 Place Where Committed

Any stalking, harassment, or violation of a no contact order offense committed as set forth in LCL §5.01.070, LCL §5.01.080 or LCL §5.07.070(b), may be deemed to have been committed where the conduct occurred, at the place from which the conduct or threat(s) was made, or at the place where the conduct or threat(s) was received.

5.10.030 Criminal Solicitation

A person who, with intention to promote or facilitate the commission of an offense, urges or requests another to engage in specific conduct that constitutes a criminal offense under this Code shall be guilty of criminal solicitation. For purposes of sentencing, criminal solicitation is classified at the same level of offense as the offense that is the subject of the solicitation and carries the same sentence.

5.10.040 Conspiracy

(a) A person who intentionally agrees with another to commit a criminal offense under this Code is guilty of conspiracy to commit that offense. For purposes of sentencing, conspiracy is classified at the same level of offense as the offense that is the subject of the agreement and carries the same sentence.

(b) It shall not be a defense to conspiracy that the person(s) with whom the accused is alleged to have conspired has not been prosecuted or convicted; is not amenable to justice; has been convicted of a different offense; or has been acquitted or lacks legal capacity to commit the offense.

(c) A person may be found guilty of conspiracy although the other participant is an undercover law enforcement officer or agent.

5.10.050 Attempt

(a) A person who intends to commit a specific offense and performs any act that is a substantial step toward the commission of that offense shall be found guilty of attempt to commit that offense. A “substantial step” is conduct of the defendant which strongly indicates a criminal purpose. For purposes of sentencing, attempt is classified at the same level of offense as the offense that was attempted and carries the same sentence.

(b) If the conduct in which a person engages otherwise constitutes an attempt to commit a crime, it is no defense to a prosecution of such attempt that the crime charged to have been attempted was, under the attendant circumstances, factually or legally impossible for commission.

5.10.060 Accomplice Liability; Aid and Abet

A person who intentionally assists in or encourages the commission of an offense is guilty of commission of that offense. Any adult who intentionally assists in or encourages the commission of an offense by a minor or a person who is developmentally disabled as the latter is defined in LCL §5.10.010(c)(6), commits a separate offense under this Code, in addition to being liable for the commission of all offenses committed by the adult's accomplice. A person shall not be found guilty as an accomplice to an offense committed by another person if he terminates his complicity prior to the commission of the crime and either gives timely warning to the law enforcement authorities or otherwise makes a good faith effort to prevent the commission of the crime.

5.10.070 Defenses

(a) Capacity. Children under the age of eight years of age are incapable of committing a criminal offense under this Title. Persons who are developmentally disabled to the extent that the required state of mind for a particular offense could not have been present at the time of the alleged offense, are not capable of committing a criminal offense under this Title.

(b) Duress. To establish this defense, it must be shown that the person charged had participated in the criminal offense under

compulsion by another who, by threat or use of force, created a reasonable apprehension in the mind of the person that if he were to refuse to participate, he or an immediate family member would be subject to immediate death or serious physical harm.

(c) Entrapment. To establish this defense, it must be shown that the criminal design originated in the mind of law enforcement officials, or any person acting under their direction, and that the person charged was lured or induced to commit a crime which he had not otherwise intended to commit. The defense of entrapment is not established by a showing that law enforcement officials merely afforded the charged person an opportunity to commit a criminal offense.

(d) Self Defense. To establish this defense, it must be shown that the person charged reasonably believed that he or another was about to be injured and that the person acted to prevent or attempt to prevent the injury. The person charged may only use the force and means than a reasonably prudent person would use under the same or similar conditions as they appeared to the person, taking into consideration all of the facts and circumstances known to the person at the time of the incident.

(e) Voluntary Intoxication is Not a Defense. No act committed by a person while in a state of voluntary intoxication will be deemed less criminal by reason of his condition; but whenever the actual existence of any particular mental state (i.e., knowledge or intent) is a necessary element to constitute a particular offense, the fact of his intoxication may be taken into consideration in determining whether the requisite mental state existed at the time of the alleged offense.

(f) Mental Incapacity of Victim. In any prosecution under this Code in which lack of consent is based solely upon the victim's mental incapacity, developmental disability, or upon the victim's being physically helpless, it is a defense that at the time of the offense the defendant reasonably believed that the victim was not mentally incapacitated, developmentally disabled and/or physically helpless.

(g) Age of Victim. In any prosecution under

this Code in which the offense or degree of the offense depends on the victim's age, it is no defense that the perpetrator did not know the victim's age, or that the perpetrator believed the victim to be older, as the case may be; PROVIDED, that it is a defense which the defendant must prove by a preponderance of the evidence that at the time of the offense the defendant reasonably believed the alleged victim to be older than the age specified in the offense or degree of the offense based upon the alleged victim's declarations as to age.

5.10.080 Lesser Included Offenses

A person may be found guilty of an offense necessarily included in the offense charged or of an attempt to commit either the offense charged or an offense necessarily included in the offense charged.

5.10.090 Felony Offenses

(b) The Court shall give primary weight to restorative, traditional and corrective sentencing whenever practicable so that the defendant may become a productive and law-abiding member of the community, except that the Court shall give primary weight to the protection of the community and deterrence from future criminal acts of the same nature when sentencing for the following offenses which are deemed to cause the most serious injury to victims and devastation to the community:

(c) Unless otherwise provided in this Code, restitution ordered by the Court pursuant to a criminal conviction shall be based on easily ascertainable damages for injury to or loss of property, actual expenses incurred for treatment for injury to persons, and lost wages resulting from injury. Restitution shall not include reimbursement for damages for mental anguish, pain and suffering, or other intangible losses, but may include the costs of counseling reasonably related to the offense. The amount of restitution shall not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime. The Court shall base calculations for damages on the replacement value if the fair market value or cost to repair property is impractical, impossible to ascertain, or greater than the replacement value.

(d) During the period of probation supervision, the probation officer may examine the defendant's ability to pay to determine if there has been a change in circumstances that warrants an amendment of the monthly payment schedule. The probation officer may recommend a change to the schedule of payment and shall inform the Court of the recommended change and the reasons for the change. The Court may then reset the monthly minimum payments based on the report from the probation officer of the

change in circumstances.

(e) For the purpose of collection of restitution only, the defendant shall remain under the Court's jurisdiction until the obligation is completely satisfied, regardless of the statutory maximum for the crime. Lummi Probation is responsible for supervision of restitution only during the authorized probationary period. The Clerk of the Court is authorized to collect unpaid restitution at any time the defendant remains under the jurisdiction of the Court for purposes of his legal financial obligations.

(f) This Section does not limit civil remedies available to the victim. The victim may enforce the court-ordered restitution in the same manner as a judgment in a civil action under Title 3 of this Code.

5.11.070 Forfeiture

In addition to penalties set out in this Code, the Court may order the defendant to forfeit property obtained through an act constituting a crime or property subsequently acquired from proceeds of an act constituting a crime. The Court shall use the standards and procedures set out for forfeiture in Chapter 5.09B of this Title.

5.11.075 Destruction of Evidence

(a) Whenever any personal property shall come into the possession of the Lummi Nation Police Department in connection with the official performance of its duties or its lost property and safekeeping function, and such personal property remains unclaimed or not taken away for a period of sixty (60) days from the date of written notice to the purported owner, if known, unless such property has been held as evidence in any court, then, in that event, after sixty (60) days from date when said case has been disposed of and said property released as evidence by the Court, the Lummi Nation Police Department may:

- (C) the police department has determined that the item is unsafe or illegal to possess.

(b) Notice to the owner shall be made by first class mail to the last known address of the purported owner and shall inform the purported owner of the disposition which may be made of the property under this Section and the time that the owner has to claim the property. If the owner is unknown or the police department has no knowledge of the owner's last known address, notice shall be made by publication in the Squol Quol newspaper.

5.11.080 Prior Convictions

When proof of a prior conviction is required under this Code, adequate proof of prior conviction may be established by a court or law enforcement record, unless the person convicted asserts that such report is incorrect. In that instance, a copy of the conviction from the jurisdiction originating the prior conviction shall be obtained and produced to the Lummi Tribal Court.

5.11.090 Pre-Sentence Report

(a) The Court may order the Lummi Probation Department to conduct a pre-sentence investigation prepare a report to assist the Court in imposing sentence. The report shall be provided at least seven days before sentencing to the Court, the prosecutor, and the defense.

(b) The pre-sentence report shall contain the defendant's criminal history; information about the defendant's characteristics, financial condition, any history of substance abuse and treatment, education and training, and other circumstances affecting the defendant's

behavior as may be relevant in imposing sentence; information about the impact on the victim; and such other information as may be required by the Court. The person preparing the report shall, at a minimum, contact the defendant, victim or victim's representative, and the Lummi Nation Police Department to provide each with an opportunity to present information.

(c) If either the defendant or the prosecutor contest any factual portion of the report and wish to produce evidence to contest the report, they must notify opposing counsel and the Court at least three days before the sentencing hearing.

(d) The defendant, victim or a representative of the victim, and the prosecutor may submit a separate report and may make an argument at the sentencing as to the appropriate sentence to be imposed.

(e) The report prepared under this Section shall be sealed from the general public, except that the Court may order the report to be released upon good cause shown.

5.11.100 Exclusion

(a) The Court has the discretion to temporarily exclude from the Lummi Reservation and trust lands a person from whom the community needs to be protected pending the outcome of a criminal case for any crime under LCL §5.11.020(b). Such an agreed exclusion may only be entered with the approval of the Exclusion Committee, as defined in LCL §12.03.020.

Chapter 5.12 Ch'qi'n'txw an Offender's Record of Conviction (Expungement)

5.12.010 Purpose of Ch'qi'n'txw an Offender's Record of Conviction

The Lummi Nation recognizes the power that people hold within themselves to change their lives. The strength of the Lummi Nation is due in part to our People continuing to live by many commonly held values, including forgiveness for those who have earned it and that people who have changed their ways deserve a second chance. The purpose of this Chapter is to provide an opportunity for people who truly have changed, and now live their lives in a manner consistent with our Lummi Sche'lang'en, to have a second chance to restore their standing in the community and serve the Lummi Nation to their full potential.

Once a Criminal Judgment of Conviction has been ch'qi'n'txw under this Chapter, the person shall be released from all penalties and disabilities resulting from the conviction. The fact that the person has been convicted of the offense shall not be included in the person's criminal history.

For all purposes, including responding to questions on employment or housing applications, a person whose conviction has been ch'qi'n'txw under this Chapter may state that he has never been convicted of that crime. For purposes of this Chapter, the term "ch'qi'n'txw" is intended to have the same meaning and legal affect as the term "expungement." The final order shall be called an "Order of Ch'qi'n'txw and Expungement".

The cloak of secrecy over the ch'qi'n'txw conviction does not extend to the acts that were the basis of the offense. Those events still occurred, but the community forgives the offender by ch'qi'n'txw the criminal conviction.
