RESTRICTIONS

1. Nooksack River is closed above the Slater Road Bridge.
2. Samish Bay and River are closed south and east of a line from Oyster Creek to the fish management marker on Samish Island, except that hand pull gill nets may fish north of a line from Oyster Creek to Scott's Point on Samish Island. Additionally, Samish Bay is open south of a line from Scott's Point to a point east of the mouth of Edison Slough just north of the end of Key Ave. Fishing is closed beyond a line across the Samish River where the river first significantly narrows, approximately 1,000 ft. upriver of the mouth, and is closed to fishing beyond the mouth of Edison Slough.
3. If a marine mammal is harmed in order to protect gear or catch, activity must be reported to LNR enforcement at 360-815-4175.
4. All take home fish must be reported on a fish ticket.
5. Fishers must cooperate with Lummi catch samplers to provide access to fish for CWT, tissue, adipose fin, and otolith sampling as requested.
6. All provisions of Title 10 apply.

JUSTIFICATION

Harvestable surplus. Fishery in accordance with co-manager agreed fisheries for 2024-25.
