JOB ANNOUNCEMENT

JOB TITLE: Adolescent and Child Psychiatrist
Lummi Tribal Health Center (LTHC)

OPEN: August 17, 2018

EXEMPT: Yes

SALARY GRADE: DOE

SHIFT: Day

LOCATION: LTHC

DURATION: Regular Full Time

CLOSES: August 24, 2018

JOB CODE:

DIVISION: Health & Human Services

DEPARTMENT: LTHC

SUPERVISOR: Executive Medical Director

VACANCIES: 1

JOB SUMMARY: The Lummi Tribal Health Center is committed to strengthening patients and families by providing wraparound services that impact the physical, mental, and community factors that influence health. We are seeking a child and adolescent psychiatrist to provide leadership and direct patient services to support the healthy development of children in the community. The ideal candidate will also have an interest in general psychiatry, and will see adult patients with serious mental illness.

ESSENTIAL JOB DUTIES AND RESPONSIBILITIES include the following, and other related duties as assigned.

Direct Patient Care (32 hours/week)

1. Provide initial and ongoing evaluation, diagnosis, treatment, and management of psychiatric illnesses for children and adolescents, and complex adult psychiatric cases.
2. Prescribes and monitors psychiatric medications for patients while working closely with primary care providers and behavioral health counselors to help generate a holistic plan of care.
3. Documents all patient histories, evaluations, and correspondence with patients in the electronic health record in accordance with the Lummi Tribal Health Center provider documentation guide.
4. Coordinate and refer patients who require additional support to social workers, mental health or chemical dependency professionals, or other social service programs when appropriate.
5. Provide services primarily at the Lummi Tribal Health Center but may also provide care at the School Based Health Program at the Lummi Nation School or other satellite locations of the Lummi Tribal Health Center.
6. Develop and implement protocols to implement evidence based screening for mental health and chemical dependency conditions within the primary care clinic.
7. Work to expand access to psychiatric care by educating primary care providers around diagnosis and management of common psychiatric illness; serves as internal consultant for psychiatric cases.
8. As a physician leader will be responsible for exemplifying a culture of continuous quality improvement; taking proactive steps to address issues in a team oriented patient-centered approach.
9. Takes a solution oriented approach to new challenges or problems.
10. Exemplifies a commitment to ensuring excellent customer service for patients. Provide counseling and education on health behaviors, self-care and treatment options. Responsible to maintain a functional problem list.

11. Ensures billing practices are consistent with federal and state regulations.
12. Participates in quality improvement activities and peer review processes.

Program Development (8 hours/week)

13. Develop and implement innovative strategies to improve, on a population level, child and adolescent behavioral health conditions.
14. Work with others to impact the social determinants of health, in particular, addressing conditions that lead to adverse childhood experiences.
15. Provide leadership and support advocacy to improve the well being of Lummi children throughout the community.

MINIMUM QUALIFICATIONS:

- Doctor of Medicine Degree (MD) or Doctorate of Osteopathy (DO)
- ACGME Approved Residency or Fellowship training in adult, adolescent and child psychiatry required
- American Board Certified in Child and Adolescent Psychiatry *required*; candidate may be hired without current board certification with plan to sit for boards within 3 months of hire.
- Current unrestricted DEA License
- Washington State Physicians License Required by time of hire
- Must possess a valid Washington State Driver's license by time of hire and meet eligibility requirements for tribal insurance.
- Lummi/Native American/Veteran preference policy applies.

KNOWLEDGE, ABILITIES AND SKILLS:

- Experience with electronic health records required
- Ability to adhere to all professional guidelines, departmental rules, regulations, policies, and procedures set down in LTHC clinic by-laws.
- Excellent verbal and written communication skills
- Ability to interact and communicate with patients in a respectful and compassionate manner.
- Accurate and timely documentation in accordance with LTHC medical records policies
- Excellent communication skills with the ability to work as a team member in a multicultural atmosphere.
- Must be able to work flexible hours

REQUIREMENTS:

- Must pass pre-employment and random drug and alcohol test to be eligible for and maintain employment, as required by the LIBC Drug & Alcohol Free Workplace Policy.
- This position requires regular contact with or control over Indian children and is therefore subject to successful and extensive criminal background check, CAMIS background check.
- Adherence to HIPAA policy and procedures per LIBC and federal regulations.
- Must demonstrate and maintain strict confidentiality at all times.

TO APPLY:
