SALARY: (6) \$16.50-\$18.50 per hour DOE

SHIFT: DAY

LOCATION: LTHC

STATUS: Regular Full-Time

CLOSES: July 15, 2019

JOB CODE:

DIVISION: LTHC

DEPARTMENT: Dental Clinic

SUPERVISOR: Dental Clinic Manager

VACANCIES: 2

JOB SUMMARY: The purpose of this position is to support the community by providing dental education and prevention in community settings. This position will also aide to increase awareness and target at risk patients and assist patients through the multi-layered health care system. Other responsibilities, as a Registered Dental Assistant will be to assist the dental team by performing a range of clinical functions. This position allows the dental team to smoothly function and better serve the patients as scheduled.

JOB RESPONSIBILITIES AND SCOPE OF PRACTICE: Includes, but is not limited to, the following duties within scope of training and regulation.

1. Performs chairside assisting duties which encompass all routine dental procedures in general dentistry.
2. Properly records all treatment rendered to patients in Electronic Dental Records.
3. Prepares patient and operator for proper dental procedure including setting up the proper instruments necessary.
4. Is responsible for cleaning, packaging, and sterilizing all dental instruments for proper storage when not in use. Maintains the dental clinic in a clean and orderly manner.
5. Is responsible for proper exposure, processing, mounting and labeling of radiographic films both manually and digitally.
6. Provides coronal or toothbrush polish, sealants, and topical fluoride treatment as assigned by dentist.
7. Performs prophylaxis using a cavitron or piezo per Indian Health Service's dental assistant's expanded functions course.
8. Is able to perform routine dental laboratory procedures, including pouring and trimming models, constructing custom trays and labeling models and lab trays. Can take alginate impressions, bite registration for study models and shade selection for esthetics.
9. Relays to patient post treatment instructions. Motivates and instructs patients in proper preventive techniques. Notes in chart where the patient needs improvement in hygiene.
10. Responsible for keeping operatories well supplied.
11. Performs delegated administrative duties as directed by the dental director, such as but not limited to:
 - a. Reception duties

- b. Producing reports
 - c. Collaborating on creating/maintaining manuals.
11. Represent Lummi Dental at health fairs, community events, school, and ELC (Early Learning Center).
 12. Assist dental hygienist or dentist as directed during school, Head Start and ELC (Early Learning Center) visits.
 13. Provides educational/outreach programs throughout the Lummi Community as requested, i.e.: TPCDC, LNS, HS/EHS, Day Care, NWIC, Little Bear within Lummi Reservation boundaries.
 14. Remove the excess cement after the dentist has placed a permanent or temporary restoration.
 15. Place periodontal packs and remove periodontal packs or sutures.
 16. Place a temporary filling (as zinc oxide-eugenol (ZOE)) after diagnosis and examination by the dentist.
 17. Place Silver Diamine Fluoride as assigned by the dentist after treatment plan is established.
 18. Fabricate, place, and remove temporary crowns or temporary bridges.
 19. Take health histories. Take and record blood pressure and vital signs.
 20. Give preoperative and postoperative instructions.
 21. Assist in the administration of inhalation minimal sedation (nitrous oxide) analgesia or sedation

MINIMUM QUALIFICATIONS: (Minimum Qualifications in education and work experience)

- High School Graduate diploma or GED required.
- Dental Assistant Program Certificate required.
- Current license with the State of Washington as a dental assistant.
- Current CPR card, may obtain upon hire.
- Lummi/Native American/Veteran preference policy applies.

KNOWLEDGE, ABILITIES AND SKILLS: (List of knowledge, abilities and skills)

- Must acquire HIPAA training, and comply with confidentiality regulations, willing to train within 90 days of hire.
- Knowledge of all instruments normally used in routine dental procedures for restorative, prosthodontic, oral surgical, endodontic, and periodontal treatment.
- Be efficient at chairside techniques in all of above fields.
- Knowledge of dental anatomy and ability to properly expose and process diagnostic radiographs.
- Knowledge and skill in adjusting and operating dental radiographic equipment.
- Ability to explain to patients post operative instructions, preventive techniques and home care instructions.
- Chairside assisting, clinic maintenance and record keeping comprise a significant amount of work performed. The position facilitates the work of the dental team and affects the attitudes of patients and increases the efficiencies of the dental team.
- Contacts are with the dental team and patients of the facility.
- Physical Demands - requires long periods of standing, walking, sitting, and bending.
- Work involves exposure to communicable diseases, radiation, and flying debris and therefore, masks, gloves, clinic coats, and protective eyewear is required.

REQUIREMENTS:

- Must pass pre-employment and random drug and alcohol test to be eligible for and maintain employment, as required by the LIBC Drug & Alcohol Free Workplace Policy.
- This position requires regular contact with or control over Indian children and is therefore subject to successful and extensive criminal background check, CAMIS background check.
