SUPERVISOR: Operations Manager

VACANCIES: 1

JOB SUMMARY: The Admission Coordinator serves as the primary coordinator of admissions and patient flow for ShoqweL Ya' LhaoLh-ew'xw, Lummi Nation's Secure Withdrawal Management and Stabilization (SWMS) facility. This position is responsible for managing the full admission process, including referral intake, screening, insurance verification and coordination of both voluntary and involuntary admissions.

Working in a fast-paced, 24/7 environment, the Admissions Coordinator plays a critical role in ensuring safe, timely and appropriate placement of individuals in alignment with ASAM Level 3.7 criteria. This position supports patient safety, regulatory compliance and operational efficiency while maintaining strong communication with internal teams and external partners.

Initial schedule consists of Monday – Friday, from 8am - 5pm. However, scheduling for Admission Coordinator positions is designed to support 24/7 program operations and will include weekend coverage, on call rotation and rotating holiday shifts. Current anticipated schedules may include the following; however, schedules are subject to change based on program needs, staffing levels, and operational requirements:

- Sunday – Wednesday 7:00am – 5:30pm
- Wednesday - Saturday 9:00 am - 7:30 pm

ESSENTIAL JOB DUTIES AND RESPONSIBILITIES include the following, and other related duties as assigned.

1. Serves as the first point of contact and face of the program, providing a calm, compassionate presence that promotes safety and reassurance for individuals experiencing crisis and withdrawal symptoms.
2. Coordinates and schedules all admissions and discharges to maintain full program capacity within the facility.

3. Tracks bed availability, manages referral and waitlists, communicates with referral partners and internal teams, and ensures timely intake and discharge processes to support efficient patient flow and continuity of care.
4. Verify completion of eligibility screening from medical staff, schedule intake and complete intake paperwork with the patient once they arrive.
5. Explain program services, patient rights, consent forms, and confidentiality policies, prior to collecting signatures.
6. Coordinates with Tribal 988 crisis services and other behavioral health partners to facilitate timely referrals, screenings, and admissions to program. Ensures clear communication regarding bed availability, eligibility criteria, and intake procedures to support rapid access to care for individuals in crisis.
7. Review all intake files that were completed after hours to ensure accuracy in completion of the intake.
8. Completes insurance and Washington Apple Health eligibility verification and assists with enrollment or reinstatement through the Washington Health Care Authority to facilitate timely admission and billing compliance.
9. Collaborate with referral partners, courts, clinics, and community providers after entry into program.
10. Verify medical coverage once they arrive after completion of ROI.
11. Assist patients and families in understanding legal processes related to treatment and stabilization if they are an involuntary patient.
12. Maintain confidentiality and compliance with HIPAA, 42 CFR Part 2, and tribal policies.
13. Maintain, organize, and audit patient medical and program records. This includes supporting audits, reporting, and quality assurance activities.
14. Participate in team meetings and support workflow improvements.
15. Provide verification of treatment services when receiving a medical record request, when appropriate.
16. Deliver crisis intervention, CPI de-escalation, and stabilization support within a secure withdrawal management setting.
17. Support culturally responsive, trauma-informed approaches consistent with Lummi Nation values.
18. Perform other related duties as assigned.
